Rules of Use

By signing this form, you understand and acknowledge that:

- King's Garden Gym (KGG) shower facilities are available for approved use Monday-Friday between the hours of 6:00 am – 8:00 am. Use of KGG shower facilities by CRISTA employees at any other time is prohibited.
- ONLY approved CRISTA employees may use the KGG shower facilities. No other users or guests are permitted.
- This agreement allows use of KGG shower facilities only. Any other use of KGG facilities or equipment will result in immediate revocation of access privileges.
- If you are approved, you will receive a key to access the KGG shower facilities. Sharing your key with ANYONE (whether CRISTA staff or not) will result in immediate revocation of access privileges.
- Student use takes priority. If a King's student is using the KGG shower facilities, then you are not allowed to be in KGG, under any circumstances.
- KGG shower facilities are intended primarily for the use of King's students, not for CRISTA staff, and you accept the use of the facilities on an "as is" basis and are to be used "at your own risk." The facilities are not monitored. You will be solely responsible and assume full responsibility for your actions and omissions, including injuries or damages, when using the shower facilities.
- Your use of the KGG shower facilities is a privilege and can be revoked any time at CRISTA's absolute discretion.
